Coconut Palm Sugar

Product Catalogue

Ekport Ready

Organic Coconut Granulated Sugar

Coconut palm sugar is a premium natural sweetener derived from the nectar of coconut flower blossoms. Known for its rich caramel flavor and low glycemic index, it serves as a healthier alternative to refined sugar. Our coconut sugar is sustainably sourced from Indonesian coconut farmers, ensuring authentic taste, purity, and fair trade practices.

Packaging information

Packed in 2 ply paper bags 25kg bag net with inner HD Plastik bag. Bags will be labeled with product type, production code, net weight, and expired date. The load capacity for one FCL of 20' container is 680 bags or equals to 17 Metric Tons.

We also accept costumized packaging according to your brand design!

Storage Recommendation

Keep the product in cool, dry storage (preferably below 20 °C and 60% relative humidity) and free from foreign odors. Avoid direct sunlight and not stacking more than 20 layers of bags height.
